The Significance of Baptism

Jesus died and rose again for our sins. He dispalyed love for us when we didn't deserve it, and now He wants us to follow Him. The Bible tells us a number of things that God wants from us, and it identifies baptism as one of those things we must do to obtain salvation (Mark 16:16).

But why baptism? What makes immersion in water so important? Does the water save us? Water does not save us. Peter tells us that baptism amounts to more than just a simple bath or a simple cleansing of the body (1 Peter 3:21). Romans 6:3-4 tells us that during baptism we go down into the water, much like Jesus went down into the grave, and similarly to how Jesus rose from the grave, we come up out of the water. Thus, in immersion, we reenact the death, burial, and the resurrection of Jesus Christ.

We can become new creatures, cleansed by the blood of Christ (Revelation 1:5). In order to do so, we need to go to the cross of Christ. Only there can the blood of Christ wash away our sins. So why would we want to avoid baptism? Why not submit to God, obeying his commandments becasue we love him?
