Somerville Church of Christ Welcomes You!

October 16, 2022

Mission report from Churches of Christ World/Ukraine Missions.

Winter Is Coming!

Winter is coming, which is not the best news for the citizens of Ukraine. Most Ukrainans use steam to heat their homes. The steam is derived from local water plants in each town and village. Because most water plants have been rendered inoperable due to Russian shelling, very few families will have heat when temperatures drop in November. Even in towns and villages that still have working water plants, a vast majority of the homes have sustained some type of damage, including pipe damage, meaning the water needed to heat thier homes cannot be delivered. Ukraine winters are extremely cold. They can be harsh and almost unbearable, but without heat, it's difficult to imagine. What can we do from here?

During September we sent a 40-foot container from the Holly Springs warehouse loaded with 2,700 winter coats, shoes, sweaters, socks, scarves, gloves, blankets, and toboggans. Thank you! we have scheduled a second shipment of the same items for October and will schedule a third for November within the coming days. We are asking over the next several months for donations of the aforementioned items, monies to purchase those items, or assistance with the shipping costs of each for the containers. This is one major way we can help from here (Matthew 25:35-40). Thank you for all you have done and do for this mission! Know that we covet your prayers and pray for you daily, as well!
