Monthly Newsletter from Churches of Christ World/Ukraine Missions

It's difficult to believe we've been working in Ukraine for 28 years. From watching the Lord grow his church to seeing thousands of children's lives changed for the better to helping those same brethren/children attempt to navigate the horrific war, so much good has been done, but there is much more to do.

As we celebrated the Russian withdrawal from Kherson, seeing the carnage left behind is heart breaking. Then 2 Russian bombs hit Przewodow, Poland, less than 100 miles from our warehouses in Lublin, which was unsettling, to say the least. This conflict is far from over, which means the humanitarian aid crisis will far surpass anything we could have previously imagined, and in the midst of this chaos, a child clings to a toy that was sent on one of our container shipments as a Christmas gift. Why? Because it represents hope and lets her and countless others know there is someone out there who cares, bringing them tremendous joy. Thank you for being someone's source of joy and hope!

After watching this tragedy unfold since February, our resolve to provide for our brethren in Ukraine is stronger than ever. We humbly ask your congregations to remember us in your 2023 budgets for both supply and shipping costs, and also humbly ask that you, as a vital member of our team, continue to support the efforts of our mission to seek and save those who are lost. Of course, we covet your prayers first and foremost, as we understand God helps those who ask. Container shipment #116 was sent from the Holly Springs warehouse on November 11. Thank you! Our next shipment will take place in early December if the Lord wills. We pray you have a blessed holiday season. Christmas will be very different this year in Ukraine, but one thing is for certain, with us working together, it will be one great hope!

Needed Items for Upcoming Shipments: Flashlights of any kind with the appropriate batteries
