Hello and welcome to the first of many articles designed to showcase our stellar youth group. Today we meet the one and only Kaleb Stephens: Kaleb is a fantastic young man who has a heart of gold. He is currently 14 years old and is making it through his 8th-grade classes with ease. You can tell he is a kind soul by the way he interacts with his many siblings and acts as a role model for his younger brothers and sisters. He is an intelligent and hard-working person and it is an honor for anyone to get to know him. Kaleb would be the last person I know who would brag about himself, therefore, we have to brag for him and about him. From what I can gather, this kid loves manual labor and as I have seen, is quite physically

capable of completing any task given to him. His current hobbies include, and are not limited to, learning to play the guitar, collecting interesting pocket knives, adventuring outside, and listening to country music. Kaleb is also enrolled in several extracurricular activities to supplement his homeschooling. He is involved in trap shooting and competes in regular competitions. Also, he is a martial artist, practicing for several years now in a local dojo where he has advanced mentally and physically. When he grows up he considered career paths in either welding or farming. He is motivated to work hard at his education now so that he can succeed in the future.

Kaleb has grown up attending the Somerville Church of Christ. He and his family have regularly participated in the work that is being done here for about 10 years as he can recall. His favorite thing about Somerville now is the time he gets to spend with the youth at our regular activities. One of his aspirations is to have a family of his own one day. My hope is that he is encouraged to stay faithful to God and continue to follow that path that he is walking down. As I said before, he is a fantastic guy and I see the hard work that he is putting in to grow and make something of himself. If you get the chance, get to know him more yourself and encourage him to keep on keepin' on.
