## February 5, 2023

Greetings from the youth group. I invite you once again to read about one of our outstanding young Christian ladies. This week we introduce miss Kayla Summit, I hope you enjoy:

Kayla is currently 17 years old and is busily working through the 11th grade. She attends Fayette Christian School where she is involved in a dual program of part homeschooling, part in-person schooling. From what I am told, this setup allows Kayla to have a very active school life while at the same time still remaining flexible enough to pursue other interests. She is currently employed at Sonic in Somerville as a carhop and balances her job with her education and Church activities. She is very involved in the youth group. What I find encouraging is that her favorite activity is singing,

she always asks if we can sing whenever we gather. Additionally, she has helped me consistently with ideas and suggestions to better our program. She also cares for many of her family's farm animals. Her favorite responsibility is caring for her horse Dixi. One day I can imagine she will have a farm of her own.

What I have learned about our youth, in general, is that they have goals which reflect their upbringing. Kayla is no different. One day she sees herself as a godly mother with children of her very own. She wants to be a faithful Christian with a "drop dead gorgeous" husband (her words). Desiring to follow the example of her parents and grandparents, she wants to actively participate in the work of the church. To many of you reading this may sound "normal." However, more and more young adults are opting out of this way of life, seeking rather to pursue selfish goals and worldly endeavors. Kayla wants to be different. As a congregation it is our great pleasure to have constant reminders of the good that exists in the world around us. Please encourage Kayla, get to know her personally, and help her along the road to eternity.
