Churches of Christ World/Ukraine Missions March update

During the ice storm that hit many areas in the southeast & midwest this past month, we were without power for 5 days. No lights, no central heat, and no way to cook. We were unable to save the food in our refrigerator or freezer, and five of our trees we planted 20 years ago came crashing down. As we sat in the dark for several nights, I could only help but think of those in Ukraine we are helping each month.

I was worried when I heard large tree limbs cracking and landing on the ground. They're worried about bombs landing on or near them. Even though I didn't have central heat, I had gas logs I could sit by to warm up. They only have the winter clothing we send and very little access to heat of any kind. I was concerned about the food we had to dispose of yet replaced within days after our electricity returned. They're coming to our warehouses daily begging for food. I was thankful we had gas water heaters to take warm showers. They have no hot water, and the majority still have no running water. Thinking about their plight reminded me of how blessed I am, and how difficult their situation is each and every minute of the day. These thoughts have provided me with an even greater resolve to assist our friends in Ukraine.

During February God opened a door for us to partner with another group, and we were able to get a 40 foot container of much needed food into Ukraine. We will send another container of hygiene products, winter clothing, shoes, and sleeping bags from our Holly Springs' warehouse during the month of March. We're extremely excited and thank God that our Bible studies are beginning to bear more and more fruit, and through much hard work/diplomacy, several of our orphanages have been re-opened, giving many of our children a more permanent place of refuge. There is no way this could happen without your generosity. Thank you! As always, we covet your prayers & support. Know that you are in our prayers daily that God continues to bless you richly!
