FISHERS OF MEN
May Report

Dear Somerville Church of Christ,

Just a couple of weeks left in the online Fishers of Men course for my students in India. The course has been a learning experience for many of them, in more than one way. They are not accustomed to doing the daily homework, especially online, or doing other outside assignments, but I hope they are gaining something from the class. There have been several Bible studies reported, but it has been more difficult to get activity from this class.

The month of June is a busy month for us! We always have our Vacation Bible School in the month of June, and we also spend a week at Sardis Lake Christian Camp every June, where Rachel serves as a counselor, I help direct our session, and all three of our children are campers.

Next month, my family of five is scheduled to make a trip to the Philippines. My overseas missions for the Lord have involved the Philippines more than any other country; however, I have not been there in four years. Two trips in a row had to be canceled. One was November of 2019 when dad passed away, then we had to cancel in the spring of 2020 because of COVID. Until now, I had not been able to schedule a trip back. We are looking forward to this journey for the Lord!

Thank you for helping us in this work for the Lord. Your prayers are appreciated!

Because of Him,
Tim II and Rachel Wilkes
