Churches of Christ World/Ukraine Missions May Report

From Antioch to Judea and From the United States to Ukraine

Luke tells us in Acts 11:26 the disciples were first called Christians in Antioch. Then in verse 29, he explains that "the disciples, each according to his ability, decided to send relief to the brethren dwelling in Judea." I can't help but think of this each time we receive an email, letter, or phone call from our brothers/sisters in and around Ukraine requesting supplies so that they might be able to assist those within their church family and community who are in such desperate need. The church in Antioch understood the brethren in Judea were facing extreme difficulties, and they opened their hearts to provide relief. You have done the same for our brethren in Ukraine, and we thank God for your decision to do so, as many have been blessed by your kindness.

Since January 2022, God has provided us with an avenue to send 122, 40 ft. containers full of supplies to our warehouses in Lublin to be distributed by local church members to those facing multiple hardships. This past month God opened another door, allowing us to send out shipment number 123 from our warehouse in Holly Springs. It contained clothing, bedding, shoes, sleeping bags, assorted hygiene products, and of course, Bibles. None of this could have been accomplished without your generosity - thank you! We covet your prayers and support, as always. May God continue to bless you richly!
