Churches of Christ World/Ukraine Missions Report

It was exciting when we were able to get the Sight/Visual Impairment Orphanage back up and running correctly. For the last year we have been able to keep the children safe but were not able to have classes on a regular basis, for obvious reasons. Before the war, we purchased numerous supplies, such as copy machines that printed their daily lessons into Braille, to help the children attain the skills needed to one day successfully transition from the orphanage into everyday life. We're pleased to get them on track after such a long delay, but of course, things still aren't the same. Last week during instruction, sirens blasted, and the children were rushed into different safe rooms in the basement of the orphanage. The teachers continued the lessons when everyone was situated, even as bombs were exploding nearby, and walls were shaking. I thought of how very heartbreaking it is children must adjust to such terrible situations, but I was also a reminder of how grateful I am to each of you for helping us provide them with places of safe refuge.

Sadly, the number of orphans is growing quickly in Ukraine, which means the requests for shelter, food, and clothing have recently grown, as well. We're working diligently through our local church contacts to ensure no child who needs help is turned away. We sent a 40ft. container to Ivano-Frankivsk on September 8th (38,520 lbs. of food/clothing/supplies) to help with these requests, and we plan on sending another to our Poland warehouses by early October. Then, prayerfully, we hope to send a container full of sleeping bags/pillows to ensure warmth for the winter months. Thank you for your on-going support, and we humbly ask for your continued support to help us help so many in need. If you would like to assist with paying for one of the next two shipments or purchasing sleeping bags/pillows, please let us know. None of this could be done without you! Thank you for being a vital member of this team!

Elders
