Churches of Christ World/Ukraine Missions

As you can see from the pictures, it's been another busy month, and we're grateful! To begin the month, we received news the Sharp Corp. (Memphis) was donating over 200, 65-inch flat screen interactive displays. Many will be used at the universities/hospitals by doctors visiting from the U.S. to provide visual training to Ukrainian doctors/medical students in specific surgical procedures, teaching them how to better save lives. Some will be utilized in the orphanages to provide lessons for our chiropractic and nursing students. Others will be used in local churches as interactive displays for Bible classes/sermons.

Thanks so much to our brethren who assisted in getting this donation! Second, a container sent from Holly Springs arrived and was unloaded into the Lublin warehouse the first week of January full of needed winter clothing/survival buckets/Bibles. The items are currently being distributed. Third, we were able to coordinate the last of the Christmas present distribution to our orphanages thanks to Anya and her dad. The children were ecstatic! Finally, we've had numerous church groups, from young to not as young, working in our warehouse to get everything lined up for our next load. Thank you!

We continue to covet your prayers and support and thank each of you for allowing us to help so many in such great need! God bless!
