Diamonds

Churches of Christ World/Ukraine Missions Report

I read a story recently about a man in Kenya who bought a 30-acre farm. He loved farming and prayed daily that his venture would one day make him rich. Although he made a decent living, after 15 years he became discouraged, as he had not yet attained great wealth. A friend encouraged him to sell the farm and use the money to purchase a large tract of land said to be abundant with diamonds. He took his friend's advice and bought the new land. Daily he toiled and prayed for great wealth. Sadly, he never found one diamond and passed away penniless.

The young man who bought his farm loved his new acquisition. He woke up each morning, breathed in the smell of freshly tilled soil, and thanked God for his blessing. He made a decent living and was satisfied. One day, a friend came by for a visit and noticed a large rock on top of the farmer's mantle. He asked, "What is this?" The young man replied, "It's a quartz rock I found while plowing." His friend, not able to contain himself, laughed and then yelled, "No, it's a diamond!" The farmer said, "I doubt it. I've been finding these rocks all over my property." As it turned out, his friend was right, and he was sitting on what turned out to be one of the largest discovery of diamonds ever on the African continent.

Sometimes we don't see that our prayers have been answered, even when the answer is directly in front of us.

Please know that we are seeing God's answered prayers (diamonds), and we are so grateful! Thanks to your generosity, we were able to send another 40-ft. container to the orphanages/churches in Ukraine on February 8. You've also made it possible for us to schedule another container to send to Lublin in early March. Your kindness has allowed for the purchase of several more sewing machines/supplies for our vocational classes. Two more souls have been added to the Lord's church because of Bibles being provided for study. Thousands have been fed/clothed since the new year began. Thank you for being the diamonds in the field! We continue to covet your prayers and support. God Bless!
