Welcome!

Somerville church of Christ

We're so happy you're here today!

April 21, 2024

Dear Somerville Church of Christ,

We are nearing the end of the Fishers of Men evangelism training course in three locations. Two of these classes are being taught online. One of the online classes is for brethren scattered in different places around the USA. The other is primarily for brethren in East Asia, most of whom are in China. It is a blessing for me to be able to work with brethren all over the world and help them to become more effective soul winners! We are also looking at getting the FOM material translated in Mandarin Chinese so that we can increase the number of people we can train there.

I am also teaching the FOM training course in person in Phenix City, AL. This class is also doing well, and we are trying to make a big final push to get more work started with Bible Studies before the class is over, so we are sure they will have studies continuing when the class is over.

Although we keep count of all the studies and activity happening while the class is ongoing (I'll give you're the grand total when the classes are complete), FOM is not merely about what happens during the class. This is about having a new lifestyle of evangelism!

Also, I recently started another online class with brethren in Kenya. We had our second class meeting yesterday and the students are getting in the routine of doing their daily homework and other assignments to prepare them to be better teachers! You are appreciated!

Because of Him,
Tim II and Rachel Wilkes
