#### Show Us the Way

At the beginning of 2024, Antonina, the director of our sight orphanage, asked for help with a unique project. She explained that during missile warning sirens, it was difficult to get her 120 students to the shelter quickly enough, as each child needed one-to-one assistance to find their way. Although they were practicing this weekly, the timing was far too slow and caused her "great worry for the kids." When she talked with the children, they asked if she could set up markers around and throughout the facility to allow them to find the shelter themselves. After some research, she found a tile with a specific pattern of symbols that represented different directions. Antonina said the children could be trained to touch the tiles with their guide sticks, recognize what each symbol pattern meant, and know how to get to safety, if she could afford to purchase and have them installed.

Because of your support each month, we were able to purchase and install these tiles at the sight orphanage at the beginning of April. The children have been taught how to use them and have even mastered their use, as Antonina says the timing of the drills has been cut down by two-thirds! She made it clear she "sleeps better at night knowing this," which makes us sleep better at night as well!

During April, we were blessed to be able to send 3 separate containers! The first was a 40-foot container loaded with food for the orphanages, refugee centers, and churches in Ukraine. The second was sent from our Holly Springs' warehouse and contained 23,000 lbs. of food, survival buckets, bedding, clothing, Bibles, toiletries, baby items, and shoes. This container will go directly to the church in Ivano-Frankivsk and will be distributed by members there to those in desperate need. The third was a half container of food items for churches and refugee centers. None of this would be possible without your generosity! It has been a busy month, once again, but we're grateful, as this means God is using each one of us to fulfill His purpose. All glory and praise to Him, as He is showing us the way. Thank you for your on-going support and for being a vital member of this mission team. God bless!
