Dear Somerville Church of Christ,

The Fishers of Men evangelism training course has been concluded in three locations. Two of these classes were conducted online. One of the online classes was with brethren from various places in the USA. The other was primarily for brethren in East Asia, and most of the students were Chinese. Yes, the FOM training course has been conducted in China! I am excited about the opportunities before us to continue to spread the Gospel and train soul winners China, as well as other places around the world! Currently, we are in the process of getting the FOM material translated in Mandarin Chinese. This will greatly increase the number of people who can be trained in China to be more effective soul winners through FOM.

I also concluded the FOM course Phenix City, AL. This class was conducted in person. These three classes combined reported on 151 Bible studies with 53 different souls. Additionally, there was one baptism and one restoration while the classes were ongoing! We are thankful to God for the fruit being born and for the FOM students who put in so much time and effort in working for the Lord.

The numbers above are just what happened during the course, but FOM is not merely about what happens during the class. We want our students to have a new renewed mindset and lifestyle of evangelism.

I have one on going class: an online class with mostly brethren in Kenya. It is week six in the training course and the students have been conducting Bible studies for two weeks. In the first two weeks of reporting, these students reported on seven Bible studies with six different souls. However, some have been having trouble with the online reporting system. There have been more studies but I don't have the exact number. And I expect the reports to increase as the class continues and the students get used to the online reporting system. Thank you for being a part of this work!

Because of Him,
Tim II and Rachel Wilkes
