**Churches of Christ World/Ukraine Missions Report**

**Psalms 146:9**

Psalms 146:9 explains that the Lord relieves the fatherless and widows while frustrating the ways of the wicked. The month of May has reminded me of this at every turn. Several of our brethren in Ukraine noted that hundreds of elderly refugees from the Poltava region had lost their homes and had arrived close to the Polish border seeking help. Gratefully and through prayer, God helped secure a place for them to stay, and we have been able to provide meals and a way to wash their clothing while they seek a permanent residence. Children who have lost or been separated from their families are being brought to our doorsteps weekly. We have seen an influx of several hundred children in the past two months. Thankfully, God has ensured that we haven't had to turn any child away and has provided us an avenue by which we can fully take care of them. The war continues in Ukraine, and lives have been affected in tragic ways, but what was considered to be a quick takeover of a country and people has been thwarted into a frustrating, drawn-out operation for the aggressor. As one of our sisters in Ukraine puts it, "We are appreciative in such times of how God works to protect us." As are we.

We are excited to announce that six of our older students received their certificates in chiropractor/basic medicine. They will put their training to good use in local clinics and be able to take care of themselves financially! I want to personally thank each of you for helping us to provide for so many in such desperate need. At times my heart is broken by what I see, but at times my heart can't help but be full of joy for watching so many amazing brothers and sisters in Christ work diligently to provide relief to those in an awful situation. I can't say thank you enough! We continue to covet your prayers and support.

Know that we are praying for you daily, as well. God bless!
